

SPRING 2022

January 10 – May 28, 2022

COVID-19 Vaccination Requirement

Over the past months, Petits Pas has worked hard to keep our community safe and will continue. The health, safety and wellness of students, families and staff remains our priority.

Following San Francisco County Authorities, **Petits Pas will continue to implement vaccine requirements for students**, for the health and safety of yourself and others.

All participants 12+yo are required to show proof of being fully vaccinated against COVID-19 to participate in in-person activities, including classes, performances, and other events ([SF Gov info here](#)).

Students under 12 are not required to be vaccinated for in-person studies, though **Petits Pas strongly encourages all eligible students to be vaccinated** for their health and safety and the safety of our community.

Petits Pas will continue to maintain all current health and safety protocols, including mandatory masking.

Petits Pas may modify its protocols and requirements as our public health conditions change or Department of Health guidance evolves.

How can you submit proof of vaccination?

Before first class starts, please send us by email an image of the student's vaccination card.

Can you request an exemption or deferment?

At this time, Petits Pas will not be able to accommodate student exemptions or deferments for in-person lessons.

Those who are not able to provide proof of vaccination should consider online lesson. Please contact us.
